Dear Mr. Asel:

Thank you for inviting me to attend your Annual Meeting which is scheduled for April 11 in Kansas City.

Your interest in extending this invitation is appreciated and, although I would like to be able to accept, I regret that it is not possible to work out a trip to Kansas City on April 11. However, I do hope to travel to Kansas City later in the Spring. If my schedule permits, I would like to have the opportunity to stop by and will be in touch with your office regarding the details.

Thank you again for your interest. I am sorry it is not possible to add this Meeting to my schedule.

Kind regards.

Sincerely,

*Margaret M. Heckler*

Dear Bill,

Thank you for letting me know of your interest in the invitation extended to me by Arthur Asel to address the April 11 Annual Meeting of The Rehabilitation Institute in Kansas City.

As I am sure you can understand, it was not possible for me to plan to attend this meeting because of other commitments already on my calendar. However, I do hope to visit Kansas City later this Spring and will be contacting Mr. Asel regarding a possible visit, schedule permitting.

It was good of you to contact me regarding this event.

Kind regards.

Sincerely,

  
Margaret M. Heckler

Dear Arthur,

I talked to Secretary Heckler last night and recommended she take on the visit to the annual meeting of the Rehabilitation Institute. She'll sort out her schedule and send you an answer. I wouldn't count heavily on her appearance. She said she would see what she could do but she thinks she does more good getting on the television tube than by travelling around the country to speak personally.

Yours,

*Bill*

Dear Peggy,

When I was at Westminster College at Fulton, Missouri a few weeks ago to deliver the John Findley Green Foundation lecture there, the Chairman of the Board, Arthur Asel, asked me to talk to you about coming to Kansas City to address the annual meeting of the Rehabilitation Institute. I told him he ought to write you and if he would send me a copy of his letter I would speak up for the occasion.

All I can say is that Asel is a fine gentleman and important in Kansas City. He headed the host committee for the 1976 Republican Convention there and he put on a splendid occasion for me at Westminster College.

All the best.

Yours,
